

# **HYDROGROUT**

**Datasheet** 

#### GENERAL PURPOSE NON SHRINK CEMENTITIOUS GROUT

#### **PRODUCT DESCRIPTION**

Hydrogrout is a non shrink cementitious grout containing expansion agents to prevent shrinkage while the product hardens.

# **ADVANTAGES**

- Can be used for concrete repair especially areas requiring SCC repair compounds
- High Flow and Fluidity
- Chemical resistant
- Controlled expansion
- Bonds to wet and dry surfaces
- High strength

# **USES**

- Concrete repairs and protection
- Anchor bolts
- Columns
- Pile cap re-profiling
- Gap filling
- Bridge bearing
- Pre cast elements

# **PACKAGING**

25kg bags

# **SHELL LIFE**

12 months

#### **YIELD**

Varies with water content

**Installation Guidelines** 

# **HYDROSOL INC**

Hydrosil provides detailed method statements on all its products for use in various applications. Below is an information summary for guidance.

#### **MIXING**

The correct mix proportion of Hydrogrout to water is always dependent on the use to which the grout is to be put. Trial mixes should be conducted in small quantity to achieve desired mix specification before use.

#### **SURFACE PREPARATION**

Surfaces must be cleaned thoroughly, free of loose and unsound material, cement slurry and any other deposits.

# **GROUTING**

Free water should be removed before pouring and the grout should be poured continuously so as to ensure air is not trapped.

#### **CURING**

As soon as the grouting is completed, it should be cured immediately.

## **LIMITATIONS**

Do not use a drum mixer to mix

Do not discard into the water system

Avoid skin contact

#### **HEALTH AND SAFETY**

This product is highly hazardous if not used appropriately and it must be administered by trained and professional persons.

#### **Limited Warranty**

All recommendations, statements and technical data herein are based on tests we believe to be reliable and correct, but accuracy and completeness of said tests are not guaranteed and are not to be construed as a warranty either expressed or implied. User shall rely on his or her own information and tests to determine suitability of the product for the intended use and user assumes all risk and liability resulting from his or her use of the product. Nothing contained in any supplied materials relieves the user of the obligation to read and follow the warnings and instruction for each product as set forth in the current Technical Data Sheet, product label and Safety Data Sheet prior to product use away.

Hydrosil Manufacturing supplies products that comply with the properties shown on the current datasheets. In the unlikely event that products supplied are proved not to comply with these properties, then we will replace the non-compliant product or refund the purchase price. Hydrosil Manufacturing does not warrant or guarantee the installation of the products as it does not have control over the installation or end use of the products. Any suspected defects must be reported to Hydrosil Manufacturing in writing within seven working days of being detected.

Hydrosil Manufacturing. Makes no warranty as to merchantability or fitness for a particular purpose and this warranty is in lieu of all other warranties express or implied. Neither seller nor Hydrosil Manufacturing shall be liable to the buyer or any third person for any injury, loss or damages of any sort including remote or consequential damages, down time, or delay directly or indirectly resulting from use of or inability to use the product. The information contained in the latest data sheet supersedes all previously published editions. Visits to site by Hydrosil personnel do not constitute supervisory responsibility. Hydrosil reserves the right to alter the information contained in this datasheet without prior notice
